## Approval

This document requires the following approvals:

Name	Title	Date
HMG	Executive Board	11 June 2018
HMG	Governing Body	21 June 2018

*This Policy was agreed by the Governing Body on 21 June 2018. It shall be reviewed and, as necessary, amended by the Institute annually. All amendments shall be recorded on the revision history section above.*

## 1. OVERVIEW

The Institute is responsible for the processing of a significant volume of personal information across each of its Schools and Departments. It is vital that everyone is aware of their responsibilities in relation to data protection as follows:

- It is the responsibility of each School and Function to ensure this personal information is processed in a manner compliant with the relevant data protection legislation and guidance.
- The Institute has an appointed Data Protection Officer ('DPO') who is available to Schools and Functions to provide guidance and advice pertaining to this requirement.
- All Staff must appropriately protect and handle information in accordance with the information's classification.
- Personal Data is considered Confidential Information and requires the greatest protection level.

This Policy shall not be interpreted or construed as giving any individual rights greater than those which such person would be entitled to under applicable law and other binding agreements.

## 2. PURPOSE

The purpose of this policy is to ensure that processes and tools are in place and used to track, control, prevent, correct the use of, assignment, and configuration of administrative privileges on computers, networks, and applications.

## 3. ROLES AND RESPONSIBILITIES

The following roles and responsibilities apply in relation to this Policy:

<i>Governing Body</i>	To review and approve the policy on a periodic basis.
<i>Executive Board</i>	<p>The Executive Board (EB) is responsible for the internal controls of LYIT an element of which is the retention of records used in the decision-making process for key decisions in order to demonstrate best practice and the assessment of risk. The EB is responsible for:</p> <ul style="list-style-type: none"><li>• Reviewing and approving this Policy and any updates to it as recommended by the Data Protection Officer.</li><li>• Ensuring ongoing compliance with the GDPR in their respective areas of responsibility.</li><li>• As part of the Institute's Annual Statement of Internal Control, signing a statement which provides assurance that their functional area is in compliance with the GDPR.</li><li>• Ensuring oversight of data protection issues either through their own work or a Data Protection Oversight Committee or other governance arrangement.</li></ul>

<i>Data Protection Officer</i>	<ul style="list-style-type: none"> <li>• To lead the data protection compliance and risk management function, with responsibility for advising how to comply with applicable privacy legislation and regulations, including the GDPR.</li> <li>• To advise on all aspects of data protection and privacy obligations.</li> <li>• To monitor and review all aspects of compliance with data protection and privacy obligations.</li> <li>• To act as a representative of data subjects in relation to the processing of their personal data.</li> <li>• To report directly on data protection risk and compliance to executive management.</li> </ul>
<i>Staff/Students/External Parties:</i>	<ul style="list-style-type: none"> <li>• To adhere to policy statements in this document.</li> <li>• To report suspected breaches of policy to their Head of Department and/or Data Protection Officer.</li> </ul>

If you have any queries on the contents of this Policy, please contact the Executive Board or Data Protection Officer.

#### **4. SCOPE**

This policy applies to all Institute employees (permanent and temporary), students, vendors, independent contractors, consultants and other persons or entities that use LYIT’s IT resources, during and outside of working hours.

#### **5. POLICY**

This policy should not be viewed in isolation. Rather, it should be considered as part of the LYIT’s suite of Data Protection and IT policies and procedures (see Appendix A).

##### **5.1 Policy Requirements**

The requirements below must be adhered to in order to ensure that the access of all privileged users is managed correctly:

- Ensure that end-user account with administrative privileges and administrative accounts are only used when explicitly required.
- Ensure that Administrators only have access to end-user accounts with administrative privileges or administrative accounts with a documented and legitimate business justification.
- Ensure that an inventory of all administrative accounts and all accounts with administrative privileges is maintained and validated at regular intervals to ensure that each person with access to administrative privileges is authorised with a current and legitimate business justification. Evidence of each user validation review and justification for access must be maintained.
- Ensure that administrators are required to access all system and hosts using a fully logged and non-administrative end-user account and transition to an administrative privilege account when required to carry out administrative tasks or duties requiring elevated access.

- Ensure that third party administrators are required to use a dedicated and hardened connection gateway server and/or dedicated machine for all administrative connections to the in-scope systems, hosts and network devices in order to perform administrative tasks or tasks requiring elevated access.
- Ensure sensitive privileged user activity is subject to audit logging and monitoring as outlined in the LYIT Audit Logging and Monitoring Management policy.

## **6. POLICY COMPLIANCE**

### **6.1 Compliance**

Breaches of this policy may result in data breaches under data protection legislation, reputational damage to LYIT and an infringement of the rights of employees, students, or other relevant third parties.

### **6.2 Compliance Exceptions**

Any exception to the policy shall be reported to the Data Protection Officer in advance.

### **6.3 Non-Compliance**

Failure to comply with this policy may lead to disciplinary action, being taken in accordance with the Institute's disciplinary procedures. Failure of a third party contractor (or subcontractors) to comply with this policy may lead to termination of the contract and/or legal action.

Non-compliance shall be reported to the Data Protection Officer.

## **APPENDIX A: SUPPORTING DOCUMENTS**

The below is a list of a suite of policies and procedures that may be used in conjunction with this policy.

- Data Protection Policy
- Data Protection Procedures
- Data Retention Policy
- Data Governance Policy
- Information Security Policy
- Network Security Policy
- Systems Development Life Cycle Policy
- Data Access Management Policy
- Data Handling & Clean Desk Policy
- Data Encryption & Data Anonymisation and Pseudonymisation Policy
- IT Architecture Security Management Policy
- Data Protection Incident Response & Breach Notification Policy

The above list is not exhaustive and other LYIT policies, procedures and standards and documents may also be relevant.

## APPENDIX B: GLOSSARY OF TERMS

<i>Privileged User</i>	A privileged user, is a user who, by virtue of function, and/or seniority, has been allocated powers within the computer system, which are significantly greater than those available to the majority of users.
<i>Administrative privileges</i>	<p>Having administrator privileges (sometimes called admin rights) means a user has privileges to perform most, if not all, functions within a system, computer, operating system, or database.</p> <p>For example, these privileges can include such tasks as installing software and hardware drivers, changing system settings, installing system updates. They can also create user accounts and change their passwords.</p> <p>Note: A single computer can have more than one administrative account.</p>
<i>Third Party</i>	<p>Means an entity, whether or not affiliated with LYIT that is in a business arrangement with LYIT by contract, or otherwise, that warrants ongoing risk management. These Third Party relationships include, but are not limited to, activities that involve outsourced products and services, use of independent consultants, networking and marketing arrangements, merchant payment processing services, services provided by affiliates and subsidiaries, joint ventures and other business arrangements where LYIT has an ongoing relationship. Third Party relationships, for the purposes of this Policy, generally do not include student or customer relationships.</p> <p>Under GDPR a ‘Third Party’ means a natural or legal person, public authority, agency or body, other than the data subject, controller, processor and persons who, under the direct authority of the Data Controller of Data Processor, are authorised to Process Personal Data. All other terms used in this Policy and any documents issued in support of this Policy, not referenced in this Glossary of Terms section, shall have the same meaning as the GDPR and/or local requirements.</p>

All other terms used in this Policy and any documents issued in support of this Policy, not referenced in this section, shall have the same meaning as the GDPR and/or local requirements.
