

PART TWO

Undergraduate Courses

From Marketing to Tourism, Engineering to Computing, Veterinary Nursing to Sports Studies - choosing the right course is the first step towards your future career.

Undergraduate Courses at LYIT

Cúrsaí Fochéime ag LYIT

You probably already have some ideas about what you want to study? Maybe you have a range of interests? The following course summaries, presented according to the department in which they reside, are your first step towards selecting a course of study.

Look through everything. Remember to look beyond the course title! Check out the subjects/modules listed. Do these appeal to you? It will be easier to succeed if you have an aptitude for, or an interest in, some

of them. Take note of the further study and career options also. Some of these may surprise you. Most importantly, never base your choice on points – base it on your own interests and aptitudes.

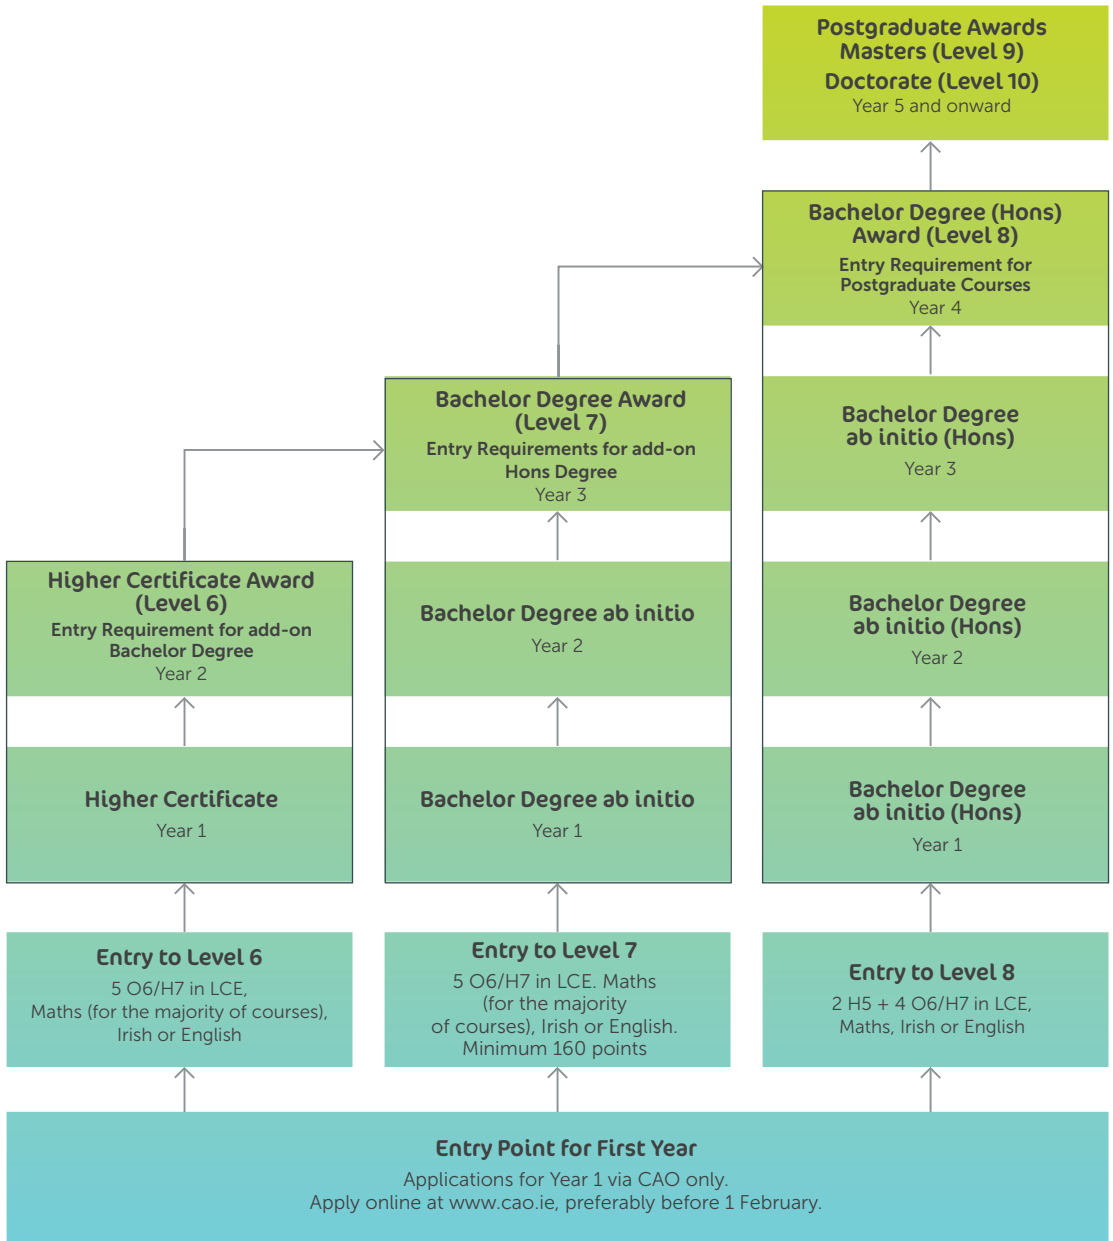

Further information on all our courses including course content, modules and CAO points is available on www.lyit.ie. To speak to somebody at LYIT directly, contact the relevant School/Department.

THE LADDER OF OPPORTUNITY

YOUR PROGRESSION THROUGH LYIT

Our courses are structured to provide you with a "Ladder of Opportunity". Many of the courses listed in this section are Level 6 or 7 entry. However, on successful completion of any course it will generally be possible to progress to a higher level, almost always at LYIT.

Please note

Except in the case of the Certificate in Preparatory Studies for Higher Education (See Page 80):

- Applicants for entry-level courses must apply via the CAO
- Apply online at www.cao.ie, preferably before 1 February
- Late applications will be accepted up to 1 May
- Late deadline not open to mature applicants who lack appropriate academic qualifications
- The final digit in the CAO codes indicates the NFQ level of the course, e.g. Level 6 Higher Certificate, Level 7 Bachelor Degree, or Level 8 Honours Degree
- 160 points are required for Level 7 courses
- GV = Garda Vetting

Maths

For all Engineering courses and all *ab initio* level 8 courses, Ordinary Level Maths at grade O6 or better or Higher Level Maths at grade H7 or better is the minimum requirement.

For all other courses where maths is required, the requirement may be met as follows:

- Leaving Cert Maths at O6 or better
- Foundation Level Maths at grade F2 or better, or
- Higher Maths at grade H7 or better
