INDUCTION

This year, we have developed an extended induction period to allow you and your classmates to get to know each other, find your way around, meet the lecturers and support staff and learn about the facilities and services you can avail of during your time here. You will find your induction schedule below.

SPORTS

Welcome to the Department of Law & Humanities. Staff and students are really looking forward to meeting and sharing with you the exciting times and challenges that your new programme of study will bring. Programmes in the Department of Law & Humanities include, sport and exercise, sports studies, Law with Criminal Justice and Business with Languages.

LYIT is a lively and inspirational place that attracts a creative mix of 3000 students both from the local area and from 31 different countries. This gives us a vibrant array of cultures and activities on campus and a friendly, supportive and relaxed atmosphere where students and staff work closely together.

Your first week will be about meeting staff, getting to know your way around the campus, and developing a sense of what to expect from your chosen programme of study. You will also get the opportunity to work on your first project working with students from different programmes. There will of course be time for some fun and most importantly you'll meet your fellow students. Among this group of strangers will be your future best friends. On behalf of all the staff in the Department of Law and Humanities we hope you enjoy yourself during your time here and find a rewarding career in the years ahead.
