LAW & LANGUAGES

Welcome to the Department of Law & Humanities. Staff and students are really looking forward to meeting and sharing with you the exciting times and challenges that your new programme of study will bring. Programmes in the Department of Law & Humanities include, Law, Law with Criminal Justice, Business with Languages, and Sports Studies.

LYIT is a lively and inspirational place that attracts a creative mix of 3000 students both from the local area and from 31 different countries. This gives us a vibrant array of cultures and activities on campus and a friendly, supportive and relaxed atmosphere where students and staff work closely together.

Your first week will be about meeting staff, getting to know your way around the campus, and developing a sense of what to expect from your chosen programme of study. There will of course be time for some fun and most importantly you'll meet your fellow students. Among this group of strangers will be your future best friends.
