Induction 2019

Arrival Guide

**Department of Nursing & Health
Studies**

Welcome

Welcome to Lyit. We are delighted you have chosen to study in the Department of Nursing and Health Studies.

We have a number of events planned over the first week as part of our Induction Programme to introduce you to Lyit, the staff and your fellow students.

It is essential you attend all the activities timetabled here to ensure you don't miss out on any important information that will make life easier, not just this week but in the weeks, months and years ahead.

Registration

Registration for your course takes place on-line- further details of how you will complete this will be provided to you. All 1st year General, Intellectual Disability and Psychiatric Nursing students are required to attend the college from **Monday 9th September** and all other students from **Wednesday 11th September**. Please check the Lyit website for updated registration and induction details of your programme. On this day you will complete the Higher Education Authority (HEA) survey in room 2300 (General Nursing)/2301 (Intellectual Disability Nursing) / 2401 (Psychiatric Nursing) and the Quickscan assessment.

Following this you will have had your photograph taken and ID card issued.

- Health and Safety Officer, 074 9186114
- Sports Centre, 074 9186000
- Library, 074 9186150

Department of Nursing and Health Studies Introduction

The staff and students of Nursing and Health Studies and our Practice Partners are really looking forward to meeting and sharing with you the exciting times and challenges that your new course will bring.

We live in a constantly changing world, but that's nothing to worry about, change spurs new ideas and stretches possibilities. How do you prepare for that? You learn. Knowledge is an exceptionally important gift but real understanding will only come from experience. The type of experience that enables you to adapt what you've learned to whatever opportunities come your way. That's why our courses include early contact with the real world of Nursing and Healthcare. That's what gives meaning and authenticity to your course. This experience will provide you with multiple opportunities to develop, integrate and consolidate the knowledge and skills learned throughout the programme.

We'll start this week by you meeting the staff and our practice partners, developing a sense of what to expect from your programme. There will be time for fun and most importantly you'll meet your fellow students, who like you have chosen to study here. These aren't just students; among this group of strangers will be your best friends. You haven't met them yet... but you will.

Welcome on Board, your journey starts here.

Monday 9th September 2019			
Programme	Room	Time	Event
